

Nicolaus Copernicus University  
**Erasmus+ experience in  
Poland**

Hryhorii Chereda  
IASA

# How did I know that

- NCU Erasmus coordinator (**Great Person**) from Faculty of Math and Computer Science presented Erasmus+ program at IASA
- I didn't know about presentation (I missed it), but my group mate told me about that.
- Finally, I got information on <http://mobilnist.kpi.ua>

# Where is NCU?

# Toruń

## Obstacle

- Subjects matching

# Advantages and disadvantages

- + Intercultural communication and understanding
- + Many new international friends
- + Plenty of amazing impressions
- + Skill to cook
- + Valuable life experience
- + Self-organization
- + A lot of parties
- Subjects matching
- Some groups of uneducated people

# Personal achievements

- I became more open-minded
- Increased broadmindedness
- Became more calm and relaxed
- First flight from Poland to Sweden
- First participation in Hackathon (Berlin), very succesfull
- First time in nightclub
- Flexibility in Languages
- More positive vision on external world
- **EXPERIENCE**, again!!!

# Being as a part of Erasmus family

# First Erasmus party

# Rewarding in Berlin

# Awesome Trip to Stockholm
